APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is granted subject to all existing rights on the source and also subject to that certain agreement dated November 22, 1949 between C. D. Baker and Henry Hunt, parties of the first part, and the United States of America by and through the Secretary of the Interior, parties of the second part. It is understood that the 4.0 c.f.s. of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependant upon the amount of water actually placed to a beneficial use. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 4.0 cubic feet per second.

Actual construction work shall begin on or before June 11, 1950

Proof of commencement of work shall be filed before July 11, 1950

Work must be prosecuted with reasonable diligence and be completed on or before June 11, 1951

Proof of completion of work shall be filed before July 11, 1951

Application of water to beneficial use shall be made on or before

June 11, 1952. Proof of the application of water to beneficial

use must be filed with State Engineer on or before July 11, 1952

AP Filed APR 14 1947

Proof of commencement of work filed JUL 10 1950

Proof of completion of work filed JUL 10 1950

PROOF OF BENEFICIAL USE FILED AUG 22 1952

of January, 1950
